Please send the following documents with your application:

1. Application letter with a brief explanation/motivation why you decided to apply for the elite study program.
2. Personal data sheet (Curriculum vitae) with a photograph.
3. School certificate/university entrance requirement (Hochschulzugangsberechtigung).
4. Certificates for your study achievements with individual weighted grades.
5. Certificates for stays abroad, laboratory courses, language courses and other activities.
6. Name and address of two university professors who may be contacted for further information.

I apply for the Elite Study Program Macromolecular Science and for admission to the assessment procedure.

All documents required are attached.

I assure correctness and completeness of my statements. I know that false or incomplete data in this application can lead to elimination of the assessment procedure. A positive admission notification based on misrepresentation will have to be retracted.

Place, Date

Signature (first and family name)
